2008 is here, and we continue to celebrate our 20th year of business serving anime and manga fans, thanks to customers such as yourself!

A new year brings many things, and we're excited that our publishing division, Nozomi Entertainment, will begin releasing *Emma: A Victorian Romance* on June 24, 2008! And remember, as of this writing, it's still not too late for you to still get your name in the credits for the second season! The first 1,000 buyers will be honored in the DVD credit roll for the series. Check out emma.rightstuf.com for more details!

This year we also have several surprise announcements yet to come, including the release of *Maria Watches Over Us* (Maria-sama ga Miteru)!

The Fans are Listening! Our Anime Today podcasts just keep getting better and better. Along with the previews, reviews, Japanese culture tidbits, contests, and customer comments, we've been amassing quite the collection of in-depth interviews with industry insiders you simply won't find anywhere else. We've talked with the man behind *Astro Boy* in the US; the writer, director, and voice actor for the US release of *Speed Racer*; webmasters and editors from favorite fan Web sites including *AnimeOnDVD.com*, *Anime News Network* and *AnimeCons.com*; Anime Presidents and CEOs from Bandai Entertainment, Bandai Visual, Central Park Media, FUNimation, Tokyopop, and much much more. You can tune in at animetoday.com, or you can subscribe to the podcast through iTunes!

When we say "We're different, we care," it's because we genuinely do. We may have grown a lot over the last 20 years, but we still believe that the most important part of our business is you - our customers. We still respond to every question, every phone call, and every email personally and we do care about what you think.

Thank you for your continued support. Have a great 2008, and we look forward to helping you find what you're looking for!

Best regards,

Shawne Kleckner

EMMA

a victorian romance

Nineteenth-century London may seem an odd setting for a Japanese anime, but for the tender love story of *Emma: A Victorian Romance* there's no better age. Victorian England was an era when new ideas were beginning to revolutionize everyday life, but traditional attitudes still staunchly held sway in social matters. So when romance unexpectedly blooms between an impoverished maid and a wealthy young man in *Emma*, they quickly discover just how deep society's disapproval can run.

The *Emma* anime was based on the original manga series of the same name by the talented **Kaoru Mori**, and Nozomi Entertainment is delighted to present a rare and exclusive interview with the *Emma* manga-ka herself.

Many of the manga and anime that have been brought to the U.S. feature maids in "moe," "fan service" or "strictly comical" contexts. What was your motivation behind making *Emma* a lush, believable tale?

I can't speak on behalf of anyone on why maids are shown in a "moe" and "fan service" type context but personally I think it's because they don't really understand what a maid actually is and there is a stereotype that the outfit is cute.

Just looking at the maid outfit, I think it's wonderful too but I was drawn to that profession and the era that profession existed. I wanted to create a story in that historical context, thinking that Emma's story might have really happened.

Do you see any parallels between the English society you depict in *Emma* and today's Japanese society?

I often think about how some things never change. Lifestyle and customs may have changed but anything that has to do with human emotions doesn't change, no matter what country or era we live in.

The cartoons from *Punch* [a magazine from the Victorian era] still make me laugh today and even though a Japanese artist creates *Emma*, people from foreign countries tell me they enjoy my work.

As a manga-ka, what is it like to see one of your works adapted into an anime? How involved were you in the process? Were you surprised by any part of the process? Have you had the chance to view the finished anime adaptation?

It was a strange feeling to know your work was being animated. It was also embarrassing because my fantasies and favorite things are woven into my work. On the other hand, I was very happy when I learned people enjoyed my work so much they requested it be turned into an anime.

The only thing I did for the anime was lend my research materials and answer questions about the characters. A lady named Riko Murakami was in charge of doing all the period research and the anime staff worked extremely hard so I was able to enjoy the show as a viewer.

I didn't know much about the process of creating an anime so it was full of surprises. I knew it takes a lot of people to make an anime but I simply thought everyone just does their part.

I didn't realize how intense the creative process is and that everyone is pushed to their limit. If one person goes down the next person would take over. If there were a hundred staffers those hundred staffers would work to their limit.

I enjoyed the anime so much I was anxious to receive the sample episode every week. I hope everyone enjoys the show as much as I did.

Emma is a very strong-willed female character, and many fans admire this about her. Who or what was your inspiration for Emma? Did you have a preconceived notion of what type of character you wanted Emma to be?

Emma isn't based on anyone specific but she is based on what I find attractive about a person.

Emma was my first serialized manga and I was just learning how hard it was to draw a manga on a monthly schedule. I was inexperienced but I knew I wanted to create a character that I would look forward to drawing every month, and a character the readers would find appealing.

It's embarrassing because she's too perfect but I still enjoy drawing her and she is one of my favorite characters.

Even though you're continuing with the *Emma* side stories, when you look back at *Emma*, as a work, what are your impressions? If you could go back and create it again, would you do anything differently?

I never would have thought so many people would read and enjoy my work. It's not perfect but I think it turned out much better than I imagined.

If I were to create *Emma* again, I might change the phrasing of a few lines and amend some things here and there but I would probably keep it faithful to the original version. I put all my energy into creating *Emma* in a limited amount of time every month. Sometimes I had to push myself even after I was completely exhausted. It might not be perfect but I believe I made all the right choices. Six years of my life were dedicated to *Emma* and I have no regrets.

How do you hope audiences are affected by *Emma*? What do you hope audiences are taking away from the story?

When I first started reading manga it was a revelation. I thought, "Manga is fun! I didn't know manga could express something like this!" It would make me happy if the reader thought the same when they read my manga. It would make me really happy if the reader thought, "Maids are wonderful! The Victorian Era is fascinating!"

It would be great if *Emma* made people interested in other manga and motivated them to draw their own. If more people drew manga, I'm sure there will be lots more interesting manga out there. I'd like to read lots more interesting manga. Personally, I'd like to read a manga based on a maid during the Victorian Era.

Do you have a message for the English-speaking fans who are about to experience the *Emma* anime and manga for the first time?

I hope you enjoy *Emma*. It would make me happy if you enjoyed both the manga and anime.

It is widely known that you are quite a fan of "all things English": When did your fascination with Victorian England take hold? What is it you find so appealing about this culture?

I'm knowledgeable about the lifestyle and culture of the late Victorian era but I'm not an expert on England. I wasn't specifically interested in Victorian England at first but that was the era that appealed to me most.

I used to read foreign picture and children's books when I was a child because I liked to read. Every now and then, a maid would appear in those books and I became fascinated and curious about them.

I also think it's because my parents were in the interior design business. I really liked buildings and I enjoyed looking through the imported wallpaper and curtain catalogs. The catalogs would have sample pictures of already decorated rooms and I was drawn to the Victorian English designs. I used to imagine a maid working in her black and white uniform in a mansion with beautifully decorated rooms.

Answering your question about what appeals to me the most about Victorian England is difficult. I feel like the more I learn about it the more I become closer to it, like a good friend. I love everything about it, both the good and bad aspects. I guess if I had to pick one thing, it would be the culture of the working class because maids were the first thing I became interested in.

How did your interest in the culture and time period lead to the creation of *Emma* and its "world"?

I'm not sure if I'm answering your question correctly but what led me to create *Emma* was because that's all that was on my mind. The "World of Emma" wasn't fully realized from the start. It took shape as I started to draw and studied the era along the way.

What kind of research did you undertake in your efforts to make *Emma* as historically accurate as possible? Why do you feel this is important?

I had some knowledge about the Victorian Era from reading and watching stuff related to that era but I was only able to afford research materials after I was paid for the manuscripts. When the serialization began I was working so feverishly and I didn't have much money so I wasn't able to fully research everything beforehand. All I had on my mind was "I love this era! I want to draw it!" and that's how it all started. That is why there are several historical inaccuracies in the beginning. I amended things along the way but I left some inaccuracies as is because it was too closely tied to the story.

I enjoy drawing something historically accurate but I also believe it's a way to show respect to the people who lived in that country and era.

Kaoru Mori Bio

Born September 18, 1978, Ms. Mori harbors a true love for all things British. Her first commercial work, *Emma*, which follows the life of an English maid, launched her into the spotlight in 2001 when it was first serialized in *Comic Beam*. *Emma* quickly gained a loyal following, and has already reached nine volumes. In 2005, the series won the Excellence Prize in the Manga Division of the 9th annual Japan Media Arts Festival. That same year, *Emma* was adapted into an anime by Studio Pierrot, and Ms. Mori collaborated with Riko Murakami to create the *Emma Victorian Guides*. One of Ms. Mori's most recent works is *Shirley*, a spin-off story set in the *Emma* world.

THE THIRD

THE GIRL WITH THE BLUE EYE

In 1999, Ryou Hoshino penned a story called *The Third*... and the adventures of Honoka, together with her trusty sand tank Bogie, have been capturing the hearts of thousands ever since. When our group here at Nozomi was chosen to bring the anime version of Ryou's story, *The Third: The Girl with the Blue Eye*, to the US, we knew one thing for sure – a series this epic needed a world-class dub. So we gave the project to director Joe DiGiorgi of Headline Studios, and together with co-directors Sam Regal and Liam O'Brien, he brought the English version of *The Third* into being.

Ever wonder about the nitty-gritty of making the dub for a show like *The Third*? Well, we rounded up some questions from inquiring anime fans, and Mr. DiGiorgi was kind enough to take a break in between mixes to dish out some answers. The results are here for you to see!

Was it a challenge recording in two locations?

Somewhat. We've done this now on three titles (*Boys Be, To Heart*, and now *The Third*), so we've adjusted to some of the oddness. Moving the tracks across the country isn't much of a problem because of high-capacity FTP. But the uniformity and flow of performance can be a challenge. The entire English-speaking cast of *The Third* was made up of very experienced actors, and they understood the idea of how to make "room" for the story to unfold into a track not yet recorded. Plus, we had a pre-approved script adaptation (thank you Sam & Liam), so we got the arc. I usually recorded in NY afterward, so I was able to adjust some dialog and inflection in NY to fit with what I got from LA. Plus, we recorded alternate tracks in case there was an issue with inflection. If we needed to pick up a line or two, we would do so after the first mix version. Yes, it was complex, and a bit more costly. But we got a really good mix of actors and voices this way.

Did the chief director travel to LA to oversee the recording there as well, or leave it to his co-directors to manage things there?

Well, I had planned to travel there a few times, but we had a tight deadline scenario. Sam and Liam and I all worked together in NY on *Shingu* and other titles, so we had a lot of experience interacting with each other on a production already. I trust them to do great work. We all worked together with Nozomi on the casting, had a few calls out, and ended up with the folks you hear. Once we got past Volume One, we were set in our concept. So at that point, I was just fine having Sam & Liam manage the West Wing, so to speak.

How did you guys end up getting Troy Baker to work on this?

Liam sent me a demo clip and a strong recommendation. I had asked for the most evil, threatening voice he could find. Leon is an important character since, as the story develops, we are introduced to stronger antagonists – and this one is the most dangerous to appear at that point. I was very happy when I heard his voice and performance in NY!

Is it easier to do a voice for a character like Bogie, or a character like Honoka? With a character like Bogie there are no facial expressions or physical actions... so is it a benefit, or does it bring different problems with trying to make him more convincing?

From my standpoint as director, a lot of the weight was on Honoka. Anna Morrow had a big gig; everyone in the show plays off Honoka or informs her of situations. The character is very complex, and there are elements of the Japanese character that are hard to cross over. We kind of focused on the "tough young girl" aspect of her, surviving in the desert and leading a solitary life. Having said that, some of my favorite Honoka moments were the sensitive ones. She is a character of immense compassion, and I think we got it to come across in English.

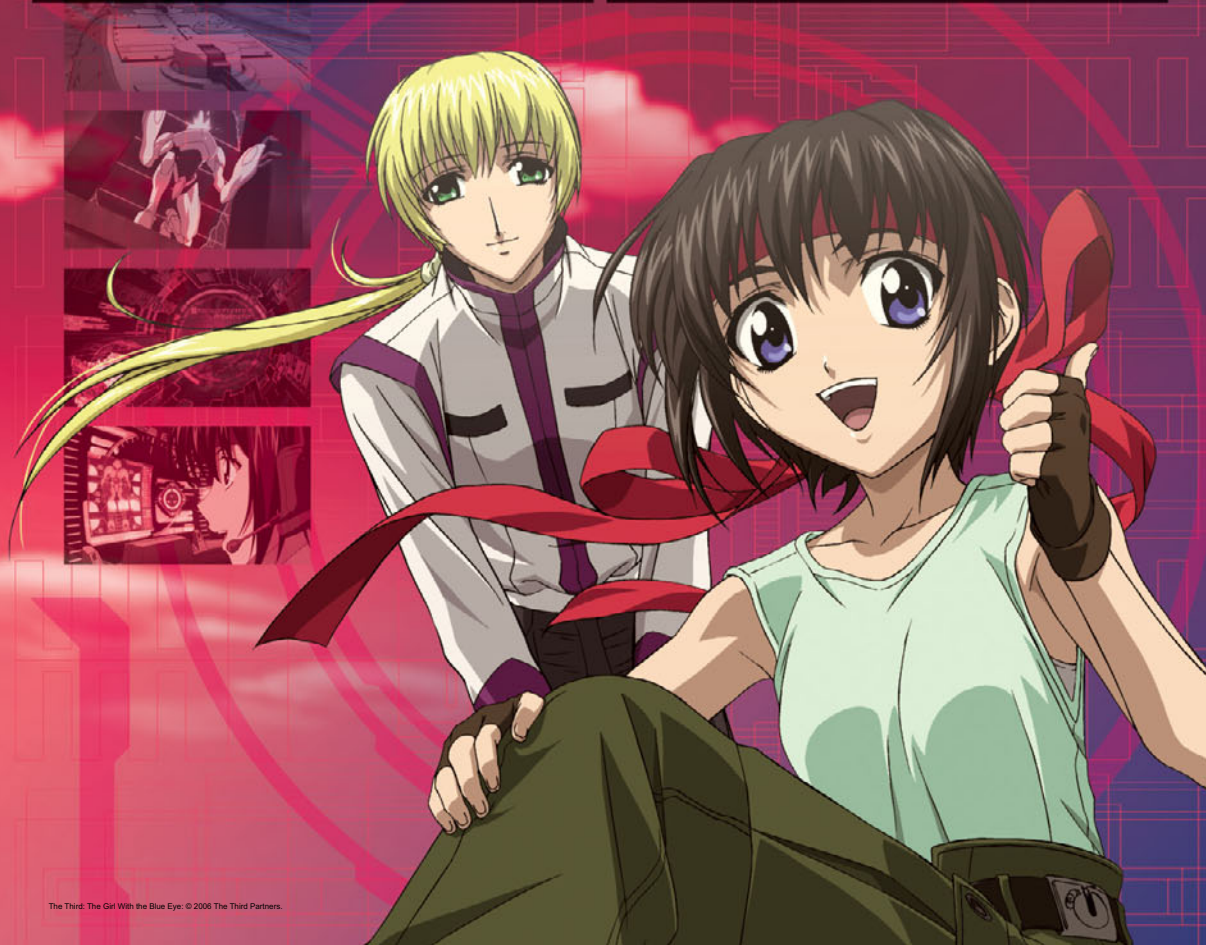

Bogie was done out West, but I can say that to get across the level of "brotherhood" that he & Honoka share was not so simple. Yes, "different problems" would be a good way of putting it. He really does have to put movement into those still shots. It's true that not having lip sync really opens things up, but these actors are really good at syncing to picture. As are Sam & Liam at making dialog fit in those mouth movements. So it all comes down to the actor's talents and their ability to project character and story. I think they all were incredible. I am grateful to them.

For the rest of the characters, does having them already on screen limit what you'd like to do, or is it flexible enough that you could make improvements or possibly get a different feel for a scene?

If you are talking about the "pre-drawn" aspect of anime, it is always the largest limitation. We must fit the picture, no matter what. We can tweak lines, play with delivery, and try to get the story across. But if the picture doesn't let us, we have to acknowledge that and flow with the image.

What was your first impression of the series?

I got preview DVDs of this show and was hooked. This was a magical one for me, and I tried hard to get that magical feeling to come across. The story is very compelling, and has extremely good form as it continues forward. I couldn't wait to see what happened next. The characters develop in a very careful and hypnotic way. And the music is rich and varied, supporting the various moods so very well. But most of all, I like the message (or messages) it seems to espouse. To approach your life, no matter what hardships encountered or misfortunes inherited, as a job with which one must follow through. Joy and happiness will appear at points along the way, as will beauty. Yet the larger challenge is to simply go on. It can get lonely between battles.

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on our staff's knowledge of each title's content, as well as input from the various anime suppliers.

N/R

This title has not been rated.

ALL

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

May contain violence, brief nudity, and/or mild language. May suggest sexual situations, but no such situations are shown. Parental discretion advised.

15+, 16+, 17+

Strong violence and strong language. Prevalent nudity may be contained within the picture. Mild sexual situations may be shown.

18+

Extreme violence, explicit nudity, and/or extreme language may be contained in the picture. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Ratings used within our system are oftentimes provided by the manufacturer. Because of the differences in ratings used by these companies, we have combined their systems with the descriptions of the ratings listed above. Right Stuf does not set ratings (except for its own products) and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Running Time / Video Length

Next to the age rating of each item, you will see the approximate running time listed for each video. Depending on the manufacturer, running times may or may not include extra bonus features such as previews. An N/A indicates that the running time is not available.

Edited and Uncut

Many fans scream in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores) it must often be edited. This means that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognized this and often release both the Edited (TV Version) and the Uncut (Original Version) of the show.

Closed Captioning (CC)

While most DVDs have subtitling, not all have Closed Captioning (CC). For those titles which we know have this feature, we have listed CC in the line containing the item's part number.

DUB ONLY? SUB ONLY?

Although DVDs allow for the possibility of dual languages, it is not always possible to license a title for dual language release in the States. So, you end up with manufacturers

releasing Subtitle Only (SUB ONLY) or English Dubbed Only (DUB ONLY) DVDs. Subtitled DVDs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. In our online system, you will note that subtitled is represented by (S) and dubbed is represented by (D). You might also see (Hyb), which means that both the subtitled and dubbed versions are on the same DVD.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed for the item. However, manufacturers can (and often do) change these release dates due to production delays. If you are ordering an item with a release date and are concerned whether this item is on schedule, please feel free to check the item's release date through its online listing, contact Customer Service at 1-800-338-6827, or even email Customer Service at info@rightstuf.com.

Mosaic

The digital "mosaic" effect is sometimes placed over the relevant bits during a particularly adult sequence prior to the title being exported from Japan. When we are aware that a particular volume or title has this effect, we'll mark it as Mosaic in the volume listing.

OVA (OAV)?

This means Original Video Animation. In normal terms, this means a direct-to-video release.

Essential Anime / Anime Legends / Viridian Collection

On certain DVDs, you will see them marked as "Essential Anime," "Anime Legends," or "Viridian Collection." These are re-releases of the original DVDs at lower prices. However, these new versions may or may not include all of the features that were found on the original release. If you are concerned that the DVD you are considering buying might not contain the features that you're looking for, please feel free to contact Customer Service or check the item's listing through our online store.

GENERAL

Why do you charge for your catalog?

Unfortunately, paper does cost money. In order to keep producing a printed catalog, this means that we have to charge a small fee for it (but don't you think it's worth it?). However, first-time customers can get their money right back by using the \$4-off coupon on page 107! (Not to mention the other great coupons back there.)

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs (and you will have to send us the current catalog fee to reactivate).

When does your next catalog come out?

Why, every spring and fall!

Where are the Adult products?

Since our catalog is delivered to anime fans of all ages, we've taken special precautions to ensure that the younger fans are not exposed to products that contain explicit violence, adult situations, or sexual content (18+). Products of this nature have been placed in a special section just for adults. Please feel free to remove this section - it really won't hurt our feelings.

Please be aware that this does not mean that all items in the regular sections are intended for young children. To help parents, we've taken special care to make sure that products are marked with age ratings.

What's this "Got Anime" thing?

An easy way to get an additional discount on your favorite anime items. For a small yearly membership fee you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Purchasing Club on page 8. Please note that international members of the club no longer receive mailings, due to postage cost, but newsletters are available online.

Memberships are non-transferable, and will remain with the billing address of your account. If you move, please make sure to contact us with your updated information so that we can update your membership information.

Why don't you carry that many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. We are continuously scouring the market to find a stable way to bring imports to our customers and hope to do so in the future.

Why don't you have <Title Here> Audio Soundtrack CD from Japan?

Um... I know I'm getting bad at geography, but I'm pretty sure that's an import - see above question regarding imports. You also might want to check our soundtracks section because a number of titles are now being released domestically.

I really want to learn Japanese...

What resources do you have?

Tons! Right Stuf now has an entire section dedicated to helping our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, make sure to check out our "Language/Culture Books" section on page 38. It includes everything from textbooks and workbooks to memory aids and intermediate readers!

International: (515) 986-1028

Please don't email your order, as it's very insecure and someone could steal your credit card number.

Can I get a new order form?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you're fine (hieroglyphics just wasn't our specialty in any life). You can also print one from our online pdf at: www.rightstuf.com/orderform

How can I check on my order?

If you placed your order through our online store (www.rightstuf.com) you can check your order status when you log in. Otherwise, simply call our friendly Customer Service people at 1-800-338-6827 or email us at info@rightstuf.com

How long is a typical item "out of stock" for?

With a few exceptions, DVD delays can be measured in days. There are some freak delays, but 2-4 weeks is usually a safe figure. However, please keep in mind that some items are directly imported from Japan, and may be in short supply even there, and should the vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

Can I use my coupons for an online order?

Yes, you can. Simply use the Coupon Code that is on your coupon when you place your online order. You can only use one coupon per order and only one catalog coupon per customer.

Can I order online Daily Deals or Special Pre-Order Discounted Items through the mail or over the phone?

Sorry, but these special offers are only available through our online store at www.rightstuf.com and if you check in often enough, you might find some amazing deals online!

How many coupons can I use?

You can only use one coupon per order and some coupons can only be used through our online store. Please see coupon details for specific restrictions.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

If I move, should I inform you?

Certainly a good idea (Right Stuf would be the FIRST notice I'd send if I were you), especially if you want to keep getting stuff from us. Just drop us a quick note, giving us your old address and your new address, so that we can update our records.

MAIL-IN ORDERS

I want to try your online store and I wanted to order, but I don't have a credit card? Help! Should you prefer to flip through the online store to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them

in your cart. When you proceed to checkout, make sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Just print this form and mail it in with your payment. Although you can use the online store to generate your order, nothing will be recorded by our system so make sure that you don't lose your form or you'll have to re-enter everything all over again! Please note that online coupons are not valid on mail-in orders.

I saw a coupon on the internet, can I use it?

Some coupons and short-term deals, such as "Shawnee's Daily Deals," can only be used through our website and cannot be honored for mail-in orders. This is generally due to specific date or manufacturer requirements which cannot be imposed on mail-in orders. Please review the specific restrictions of the coupon to see if it can be applied to your mail-in order.

I saw a special deal / daily deal on the website. Can I put it on my mail-in order?

See coupon explanation above.

Why do you hold my order for 18 days when I pay by check?

Even with all this cool technology, checks can still require at least 18 days to clear. In a perfect world, this would not be so.

What's this NSF charge?

"Non-Sufficient Funds" means, in English, your check bounced. This is bad. We will charge you for this. There is a \$25 charge for all returned checks.

PAYMENT METHODS

Do you Take Discover / VISA / MasterCard / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards.

If I order using a credit card, when do you charge it?

Credit cards by law in our state, actually get charged only when the product actually ships. Unless there's some freaky deposit problem, that's the only time.

I'm an international customer.

What's with this extra data you need? With international mail and credit card fraud becoming a growing problem, we felt it was better to ask you for additional information rather than charge everyone outside the country a lot more for their stuff. For first-time orders only, we require a copy of some form of address verification which shows your address along with a photocopy of BOTH the FRONT AND BACK side of your credit card. For security purposes you may black out one set of digits. Upon request, Right Stuf can provide a secure website location for our international customers to submit this information. This policy only affects first-time international customers; however, should your address or credit card information change, we will re-request this information in order to protect you and to update our records. This policy is in place to help keep credit card fraud to a minimum and to

ensure that our customers have the utmost security when ordering with our company. This information is destroyed after verification.

SHIPPING

How long does it take to ship an order?

From the time we receive the order and place it in our system, standard processing time to ship it is 24-48 hours. If some of the items are on back order, it can take an average of 10-14 business days for us to receive the back-ordered items. Then standard processing time goes into effect.

What are your methods of shipping?

Please see our order form for details and prices.

Are there more shipping options available?

Additional shipping options are available for orders placed by phone or through our online store (www.rightstuf.com).

How much is the shipping charge for prepacks / box sets?

Shipping is simple: use the amount for a SINGLE item.

Why did the cost of shipping increase?

While we've held our shipping rates steady since 2001, the cost of transportation and fuel has risen substantially over the course of the last seven years. So, we have adjusted our pricing accordingly based on the rates we receive from the various carriers. Please note, however, that our free shipping option has remained the same!

I'm not at home during the day. Can you ship to my office?

Certainly (in fact, we prefer to do this to ensure that you actually get your order), but please give us all the information that you can, including the name of the company, so that your friendly delivery person can get your package to you. We require that you include the business' name in the address. We are happy to work with you to get the product to you as quickly as possible. Unfortunately for American Express cardholders, American Express' own restriction policies will not allow this. You could also choose to have the product shipped to you by mail instead. Please note: this policy applies only to our domestic customers; for international customers, we must ship to the billing address on your credit card.

I chose express delivery and my order still took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery the moment we receive it from the manufacturer. Although we do keep significant stock of the items in our catalog, there are times when there may be delays getting items from the manufacturer, as discussed above.

What happens if my country will not allow me to have this sort of DVD / My order was seized by the border. What now?

Sorry. Please consult with the postal authorities of your country prior to placing an order for adult items. We will not be responsible for seized

shipments, and cannot provide refunds for seized products.

RETURNING MERCHANDISE

When I got my <insert title here>, it was bad. What do I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card). All returns/refunds must be processed within thirty (30) days of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Service at 800-338-6827 or visit our online request form at: www.rightstuf.com/requestform

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available. Should an item have accidentally been shipped to you which you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include <special item>, but mine doesn't have it!

Unfortunately, we have no control over what the manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. However, should the item not be in your DVD, we would suggest that you contact the manufacturer directly. Of course, we are always happy to forward your request on for you!

PRODUCT INFORMATION

I saw this show that I think might have been Japanese Animation. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's like a magic user, a guy with a sword who has big hair, and a villain who wants to take over the universe, and I think there are some cat girls in it," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't mean that it's available in the US as a licensed product, but it could be.

Why isn't <title here> available in the US?

You might be surprised to find out how much anime is available in the US. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and, of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell fan subs of non-licensed products or pirated copies of licensed titles.

Can I special order items that are not on the website?

Simply put: if it isn't on our website, we can't get it at the moment.

What are some good shows for children?

Although this is truly a matter of personal preference, we recommend Yugioh, Pokemon, Winx Club, Teenage Mutant Ninja Turtles, My Neighbor Totoro, Kiki's Delivery Service, Kimba, and Astro Boy for young anime fans. You might also consider the Sanrio titles like Hello Kitty. Look for the "ALL" age rating in item listings for child-friendly titles.

What's the most horrible, tasteless adult anime you offer?

That really depends largely on the person you ask. Some would say Cool Devices and Night Shift Nurses, others Love Doll and Bible Black. These titles are certainly not for the squeamish, and are most definitely only for adults. Look for them in the adult portion of the catalog.

DVD SPECIFIC

What is Region Coding?

Region coding is a geographical restriction for DVDs and players that allow for licensing of specific materials within different areas, or Regions, of the world. Since DVD players are region specific, you need to make sure that the DVD you purchase is coded for the same region as your player.

What region is my DVD player?

If you purchased your player from a retail outlet in the US, it should be Region 1. You can check the Region coding on your DVD by looking for the Region Code symbol on either the screenshot or the packaging.

Region Coding List:

- 1 - United States of America, Canada
- 2 - Europe, including France, Greece, Turkey, Egypt, Arabia, Japan and South Africa
- 3 - Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 - Australia and New Zealand, Mexico, the Caribbean, and South America
- 5 - India, Africa, Russia and former USSR countries
- 6 - People's Republic of China

What Region are your DVDs?

We primarily carry Region 1 Discs. However, we do have a small handful of DVD titles that are multi-region and even Region-free. We've tried to mark them where possible.

Why is THIS DVD better than THAT DVD?

Like many things, it's the talent of the people who did the mastering. Although the format supports a very high quality image, the preparation of the material determines how good the final will actually look.

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox or personal computer.

>TV SERIES + OVA

A new law's been passed. Ordinary folks are now allowed to carry firearms; shoot, they're even legally allowed to use 'em. You might think that crime would increase, but the arrest rate's gone down. After all, the only prison a dead man needs is a hole in the ground. It's hard to tell if she's from Heaven or Hell, but an angel's just come to earth. She's an enigma, but with her partners Set, Amy, and Meg, she's the best chance this town's got. Her name's Jo. And there's a new sheriff in town. This box set contains the entire TV series as well as the Infinity OVA!

POPEYE THE SAILOR

Animated Popeye plot lines tend to be simple. A villain, usually Bluto, makes a move on Popeye's "sweetie," Olive Oyl. The bad guy then clobbers Popeye until Popeye eats spinach, which gives him superhuman strength. The fundamental character of Popeye, paralleling that of another 1930's icon, Superman, also invokes traditional values possessing uncompromising moral standards and resorting to force only when threatened, or when he "can't stand no more!"

ONE THOUSAND

One Thousand Years of Manga is both an informative account of the genesis of the form and a visual delight. Through its captivating full-color illustrations and enlightening text,

ちょっと待って! これを読んで下さい!!
(WAIT! READ THIS!!)

So now you've done it. You're totally hooked on anime and manga and all you want is more, more, more! While you wait for everything you want to finally get picked up for the States, you could also take the next step and learn Japanese yourself! To help you along on your quest, Right Stuff has created the section you see before you. We've gathered some of the top textbooks and learning aids to get you started along with many cultural books. Looking for something that you don't see here? Drop us a line and let us know what you're searching for!

Now, before you leap into this section, here are some notes on the Japanese language for total beginners:

Japan has three different sets of writing: hiragana (a syllabic alphabet usually used for native words), katakana (a syllabic alphabet usually used for foreign words), and kanji (symbols representing whole words/concepts). "Kana" refers to both hiragana and katakana. You'll want to start out learning kana, and then work your way up to kanji.

You've probably also heard the term romaji tossed around. Romaji is basically writing out Japanese words using the western ("Roman") alphabet. So while "dog" is "いぬ" in written Japanese, you may also see its romaji form of "inu" in Western textbooks.

The best way to get a true grasp on the language is to start with a series that focuses on hiragana and katakana, but some Westerners aren't as comfortable learning that way. For those of you who just want a quick jumpstart, you may want to check out the books that focus on romaji. We've tried to mark which style each book uses.

the book situates manga in its proper context, appreciating it for what it truly is: an integral part of Japanese art and culture that is as rich and revealing as it is popular.

IN THE POOL

Meet Dr. Ichiro Irabu. In today's Japan, a traditional land beset by modern pressures and confusion, image-conscious people just can't be seen going to a therapist. Instead they visit "doctors of neurology" like Dr. Irabu. What makes the good doctor unique is his penchant for sharing his patients' stress-related ailments, aiding and abetting their compulsions... and making them much worse before they get better.

WIND NAMED AMNESIA/ INVADER SUMMER

Two novels in one! The Apocalypse didn't end with a BANG, but with a whimper. Silently, the "amnesia wind" swept away all of mankind's knowledge. Thousands of years of human civilization vanished overnight as people forgot how to use the tools of modern civilization; who they were, how to speak, everything. Technology decayed as mankind was reduced to an extremely primitive level. Two years after the devastation, a young man explores a nation reduced to barbarism: America.

>ORIGINAL SERIES

On the planet Aqua lies the watery city of Neo Venezia, a tourist hub in which people travel around in gondolas. Professional gondoliers known as Undines are well-revered as they act as tour guides for the people. Akari Mizunashi is a gondolier in training and also an employee of Aria Company. She gets to meet all sorts of people as she takes them on the gondola rides amidst the beautiful scenic backdrop of the entire city.

AZUMANGA DAIOH

Miss Yukari is not your typical teacher; in fact, she acts more like an air-headed student! But this works well in keeping up with the odd group of girls that attend her class, such as: Chiyo, the precocious 10-year-old high-school girl; Sakaki, the tall and admirable girl (who also has an unusual problem with animals); Tono, the ultimate spaz; Osaka, the girl from outer-space; and Yomi, the sensible bookworm.

BASTARD!

The kingdom of Metalicana is under siege by evil armies of monsters. The desperate defenders turn to a legend that says a virgin's kiss may awaken the wizard "Dark Schneider" from his slumber inside the innocent boy Lucien. Thanks to his sister Yoko, Lucien metamorphoses into the powerful, lecherous wizard. With demons, dragons, and other dark forces roaming the land, and Dark Schneider barely under control, the question remains: will Metalicana ever know a lasting peace?

**Blade of the Immortal**

Manji is a very capable swordsman in his own right, but that's only half of it... the other half being that he won't die until he kills 1,000 men. And now he's taken it upon himself to help a young girl named Rin get revenge on the people who murdered her parents... but he soon finds that they're a lot more deadly than he bargained for. With gorgeous artwork and lightning-quick action sequences, you're sure to love this series!

BERSERK

His name is Guts, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and countless scars, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down: he'll cut a swath of carnage through the damned and anyone else foolish enough to oppose him!

BLEACH

Ichigo Kurosaki has always been able to see ghosts, but this ability doesn't change his life nearly as much as his close encounter with Rukia Kuchiki, a soul reaper and member of the mysterious Soul Society. While fighting a Hollow, an evil spirit that preys on humans who display psychic energy, Rukia attempts to lend Ichigo some of her powers, but much to her surprise, Ichigo absorbs every last drop of her energy. Now her temporary fill-in, he must battle monstrous Hollows and protect those he loves.

GANTZ

The last thing Kei and Masaru remember was being struck dead by a subway train while saving the life of a drunken bum. What a waste! And yet somehow they're still... alive? Or semi-alive? Maybe it's reanimated... by some kind of alien orb with a nasty message: "Your lives are over. What you do with your new lives is up to me!" And what this orb called "Gantz" intends to do with their lives is make them play games of death.

STAFF PICK

I Hate You More Than Anyone

Kazuha's a high school girl who looks and acts like a man, and Sugimoto is a 22-year-old male hairdresser who talks like a girl and constantly begs Kazuha to let him out her hair. Unfortunately for him, Kazuha's read the title of this book—but a little hate never stopped opposites from attracting before! Banri Hidaka has penned a touching story that balances romantic comedy with learning what it means to be an adult.

I HATE YOU MORE THAN ANYONE

Kazuha Akiyoshi is the eldest of six children. Very responsible and irresistibly cute, she is also something of a tomboy who never allows her softer side to show—until she meets Mizushima. Kazuha has her first real crush: will it be reciprocated? Then there's Sugimoto, who wants to be part of her life—but he's the one who Kazuha hates more than anyone!

meateater0517: DOMOT, but I just met the girl of my dreams!
eyeluvart: when did u get a GF?
meateater0517: She's not my GF—I wish!
eyeluvart: well, if u don't do anything about it, she won't be
eyeluvart: u gotta be upfront with ur feelings
meateater0517: I know—when I practice in my head, I'm calm and collected, but clam up when I see her IRL.
meateater0517: So right now, she sees me as a friend.
eyeluvart: next time ur F2F, try what i do—take her picture and give her a cute nickname.
eyeluvart: she'll warm up!
meateater0517: I don't know...I like to KIS.
eyeluvart: that's why she's ur friend and not ur GF!
meateater0517: I'll think about it...
eyeluvart: W/E u decide, GL!

**Kekkaishi**

Yoshimori would like nothing more than to spend all his time baking cakes, but his family has another occupation in mind: kekkaishi; a demon hunter who uses barriers to trap and destroy spirits. Kekkaishi hits the manga holy trinity square on with unique, likable characters, a plot seamlessly balanced between action and character development, and a thoroughly engaging and original art style. Perfect for fans of Bleach or Fullmetal Alchemist.

KIELI

Kieli sees ghosts. It's an odd ability for a 14-year-old girl, and it makes her a bit of an outcast at her boarding school. Her only friend, in fact, is the semi-departed spirit of a girl who used to inhabit her room. That is, until the two encounter a young man who appears to share Kieli's "gift." It doesn't take long to discover, though, that Harvey is an altogether different sort of creature - one of the infamous Undying, the reanimated corpse of a dead soldier.

MAMORU THE SHADOW PROTECTOR

Mamoru Kagemori is a dull high school student who's neither handsome, athletic, nor intelligent. But things aren't always as they appear. He's actually the eldest son of a 400-year-old ninja clan that specializes in protecting their neighbors, the Konnyakus. And the object of Mamoru's protection is none other than their only daughter, Yuna Konnyaku, a natural-born troublemaker!

MAMOTTE! LOLLIPOP

It's not really Nina's fault - the little ball next looked like a piece of candy, and what else would you do with candy? It was only after she ate it that she discovered that "ball" was really the goal of the final exam for a school full of wizards - and whichever wizard gets the ball, graduates. Only now the prize isn't the little ball - it's Ninal! Suddenly her life is turned upside-down as boys are chasing her everywhere she goes!

MUSASHI NUMBER NINE

Exotic, smart, and lethal, Number Nine is a field operative for an organization committed to fighting injustice. Little is known about "Universal Blue" except that it's the last line of defense against terrorists and criminals. Even less is known about its field operatives - though it's whispered that they possess the ability to change the course of history. And Number Nine is one of them.

MUSHI-SHI

Some live in the deep darkness behind your eyelids. Some thoughtlessly kill. Some simply drive men mad. Shortly after life emerged from the primordial ooze, these deadly creatures, mushi, came into terrifying being, and they wreak havoc in the world today. Ginko, a young man with a sardonic smile, has the knowledge and skill to save those plagued by mushi... perhaps.

STAFF PICK

Love*Com

Risa thinks she's too tall, Otani thinks he's too short, and it doesn't help things when they argue and the entire school declares them a perfect couple! Love*Com is an unusual sort of romance that completely ignores shojo stereotypes in favor of wacky comedy and tender insecurity. Unlike most "will they or won't they?" relationships, Risa and Otani have one that actually keeps you on your toes wondering if they'll hook up or finally succumb in finding love elsewhere.

Pet Shop of Horrors: Tokyo

Sometime after the events in the original Pet Shop of Horrors, Count D has relocated to Japan in this sequel series. More straight-forward than his predecessor but further blurring the line between happy and sad endings, Tokyo once again finds the Count peddling "animals and dreams" of all kinds, and he's already making the local authorities suspicious. Old favorites also make cameos, including Leon and T-Chan.

SAMURAI DEEPER KYO

At the dawn of the 17th century, at the end of the era of civil wars, the epic Battle of Sekigahara was joined. One man emerged from the largest battle ever fought on Japanese soil - a terrible warrior of unspeakable power, Kyoshiro is a peaceful medicine peddler who harbors the soul of an assassin. He accompanies a young bounty hunter in search of a murderer and on a quest to discover the secret of his own identity.

Shugo Chara!

Amu wishes she could be someone else, and thanks to her guardian characters, she actually can! A fantastic magical girl title along the lines of Cardcaptor Sakura, Shugo Chara reinvents the classic genre with a story that's literally all about character! With an engaging plot, cute/chic designs, and great characters, this story from famous manga-ka duo Peach Pit is a fabulous shojo adventure.

SHAKUGAN NO SHANA

Yuji Sakai is beginning what he thinks will be another boring year of school. But everything changes when the world around him stops - the surrounding people are engulfed in blue flames, and a freakish doll-like creature begins sucking them up! Before Yuji suffers the same fate, a young redheaded girl with a sword appears and saves him. Yuji is drawn into the struggle between these creatures from another world: the Crimson Denizens and the girl Shana, called Flame Haze.

STEEL FIST RIKU

Riku lives with her adoptive father, who has trained her in the martial arts. In Riku's world, humans co-exist with humanoids, so there's nothing alarming about a "Pig Man" showing up one day. But this Pig Man is out to shake down a local merchant... and Riku isn't about to let that happen. The ensuing battle sets off a whole series of events that reconnect Rocky to his shady past.

WALKIN' BUTTERFLY

As a tall girl, Michiko has never fit in... literally. Her height is matched only by her complex about it. But while delivering pizzas at a fashion show, she is mistaken for a model and thrust on stage. Mihara, the show's designer, confronts her and tells her that she can't walk the catwalk because she doesn't know her true self. From that moment on, Michiko becomes determined to find her place in the world as a model - and as a young woman.

GET FREE SHIPPING ON YOUR ORDER!!

If you live inside the US and your order exceeds \$49 (without freight) then Economy Shipping is FREE for domestic customers. If you live in Canada and your order exceeds \$150, our regular shipping is FREE!

SHIPMENTS TO MILITARY ADDRESSES & US PROTECTORATES

Our domestic standard rates are simple: in the US including APO (AA, AE, AP), FPO, PR, GU and VI please use the Domestic Shipping Options. Please be aware that if you have a PO Box, or are stationed in the service, our standard shipping is by mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

SPECIAL NOTES FOR OUR INTERNATIONAL CUSTOMERS

Shipping companies or local governments may charge an additional fee for taxes, or for delivering your package to a foreign country. Such fees and customs duties are not included in our shipping price and are your responsibility. We will not be responsible for seized shipments and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering an adult product(s). For first-time orders only, we require a copy of some form of ID (can be drivers license, passport, credit card statement, utility bill, etc), which shows your address along with a photocopy of BOTH THE FRONT AND BACK side of your credit card. For security purposes, you may black out one set of digits. This information is to help keep credit card fraud down and is for your protection as well. Upon request, Right Stuf can provide a secure website location for our international customers to submit this material. This information is destroyed after verification.

I'M RUNNING OUT OF FORMS!!

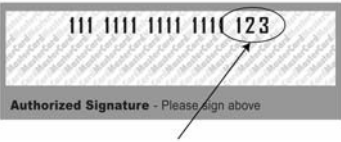

You are hereby authorized and deputized to make copies of this order form. As long as we can read it and all the information is there, you're fine. Copy away. You can also print one from our website at: http://www.rightstuf.com/orderform

WHAT IS MY SECURITY NUMBER?

Discover Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number followed by a special 3-digit code. If you have chosen to use a Discover credit card for your order, the security code is required.

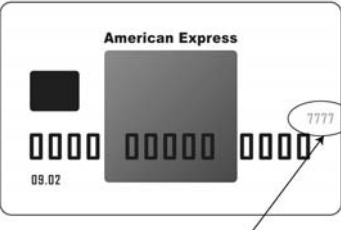

Visa Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number (or only a portion of it) followed by a special 3-digit code. This 3-digit code is your Security Code (CVV2).

MasterCard Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number (or only a portion of it) followed by a special 3-digit code. This 3-digit code is your Security Code (CVC2).

American Express Credit Card Users

Look for the 4-digit code printed on the front of your card just above and to the right of your credit card number. This 4-digit code is your Security Code (CID).

SHIPPING INFO:

Please allow 2-6 weeks for delivery. It will almost certainly be closer to 2 than 6 weeks, but we like to err on the side of caution. Shipping confirmations are often via email to the address you provide.

If someone will not be available at your home, consider having the package shipped to your work address (include your company name). If your package is returned to us, we will charge you additional shipping to reship it.

Express shipping means that your order will be shipped via 2 Business Day UPS. Actual shipment time can vary based on whether the item(s) is in stock at the time we receive your order. If you need your order as soon as possible, please consider placing your order over the phone (800-338-6827) or through our secure online store. (www.rightstuf.com)

Pre-order release dates can (and often do) shift about without the manufacturer informing us. If you are concerned about your preorder status, please contact customer service at any time or check the latest information on product updates on our website. (www.rightstuf.com)

For domestic orders: We may, at our option, ship your order in multiple shipments. Please note that in general, only shipments using the economy ship method will receive partial shipments. Due to increased transportation costs, orders shipping by other methods or internationally may be held until the order is complete. You may request a shipment of in-stock items on your order at any time by contacting customer service for an additional fee based on the ship method that you have chosen for the order.

PAYMENT METHODS:

We accept Checks and Money Orders in US funds. Sorry, no international checks. Please make all checks / money orders payable to Right Stuf, Inc. All checks require at least 18 days to clear our bank. Sorry, no CODs.

We also accept the following payment methods: MasterCard, Visa, American Express, or Discover. Sorry, you can't use your Mom's Sears card - or your Dad's BP card. For security purposes, we may contact you for additional information which may delay your order.

PLEASE DO NOT SEND CASH THROUGH THE MAIL!!

RETURN POLICY:

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace the product. Unopened DVDs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card). All returns/refunds must be processed within thirty (30) days of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Service at 800-338-6827 or visit our online request form at: http://www.rightstuf.com/requestform

Products returned without a return authorization number, or those more than thirty (30) days after the invoice date, will be returned to the customer.

If the package was damaged while in transit (crushed box): if delivered by UPS, please contact UPS directly at (800)-PICK-UPS (1-800-742-5877) or if delivered by Mail, please contact your local postmaster.

GET FREE SHIPPING ON YOUR ORDER!!

If you live inside the US and your order exceeds \$49 (without freight) then Economy Shipping is FREE for domestic customers. If you live in Canada and your order exceeds \$150, our regular shipping is FREE!

SHIPMENTS TO MILITARY ADDRESSES & US PROTECTORATES

Our domestic standard rates are simple: in the US including APO (AA, AE, AP), FPO, PR, GU and VI please use the Domestic Shipping Options. Please be aware that if you have a PO Box, or are stationed in the service, our standard shipping is by mail because UPS will not deliver to these locations. If you live outside of the areas above, please use our International Shipping Options.

SPECIAL NOTES FOR OUR INTERNATIONAL CUSTOMERS

Shipping companies or local governments may charge an additional fee for taxes, or for delivering your package to a foreign country. Such fees and customs duties are not included in our shipping price and are your responsibility. We will not be responsible for seized shipments and cannot provide refunds for seized products. Please check to make sure you are in compliance with all local laws if you are ordering an adult product(s). For first-time orders only, we require a copy of some form of ID (can be drivers license, passport, credit card statement, utility bill, etc), which shows your address along with a photocopy of BOTH THE FRONT AND BACK side of your credit card. For security purposes, you may black out one set of digits. This information is to help keep credit card fraud down and is for your protection as well. Upon request, Right Stuf can provide a secure website location for our international customers to submit this material. This information is destroyed after verification.

I'M RUNNING OUT OF FORMS!!

You are hereby authorized and deputized to make copies of this order form. As long as we can read it and all the information is there, you're fine. Copy away. You can also print one from our website at: <http://www.rightstuf.com/orderform>

WHAT IS MY SECURITY NUMBER?

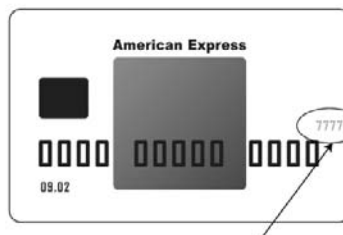

Discover Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number followed by a special 3-digit code. If you have chosen to use a Discover credit card for your order, the security code is required.

Visa Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number (or only a portion of it) followed by a special 3-digit code. This 3-digit code is your Security Code (CVV2).

MasterCard Credit Card Users

Flip your card over and look at the signature box. You should see your credit card number (or only a portion of it) followed by a special 3-digit code. This 3-digit code is your Security Code (CVC2).

American Express Credit Card Users

Look for the 4-digit code printed on the front of your card just above and to the right of your credit card number. This 4-digit code is your Security Code (CID).

SHIPPING INFO:

Please allow 2-6 weeks for delivery. It will almost certainly be closer to 2 than 6 weeks, but we like to err on the side of caution. Shipping confirmations are often via email to the address you provide.

If someone will not be available at your home, consider having the package shipped to your work address (include your company name). If your package is returned to us, we will charge you additional shipping to reship it.

Express shipping means that your order will be shipped via 2 Business Day UPS. Actual shipment time can vary based on whether the item(s) is in stock at the time we receive your order. If you need your order as soon as possible, please consider placing your order over the phone (800-338-6827) or through our secure online store. (www.rightstuf.com)

Pre-order release dates can (and often do) shift about without the manufacturer informing us. If you are concerned about your preorder status, please contact customer service at any time or check the latest information on product updates on our website. (www.rightstuf.com)

For domestic orders: We may, at our option, ship your order in multiple shipments. Please note that in general, only shipments using the economy ship method will receive partial shipments. Due to increased transportation costs, orders shipping by other methods or internationally may be held until the order is complete. You may request a shipment of in-stock items on your order at any time by contacting customer service for an additional fee based on the ship method that you have chosen for the order.

PAYMENT METHODS:

We accept Checks and Money Orders in US funds. Sorry, no international checks. Please make all checks / money orders payable to Right Stuf, Inc. All checks require at least 18 days to clear our bank. Sorry, no CODs.

We also accept the following payment methods: MasterCard, Visa, American Express, or Discover. Sorry, you can't use your Mom's Sears card - or your Dad's BP card. For security purposes, we may contact you for additional information which may delay your order.

PLEASE DO NOT SEND CASH THROUGH THE MAIL!!

RETURN POLICY:
